

MITCHELLVILLE WATER DISTRICT

SPECIAL CALL MEETING THURS. JULY 24TH, 2025-5:00

Present: Art, Mickey, Jeremy, Betsy, Genny, & Jim
Absent: Julie

Call meeting to order 4:57

**Review & Approve 7/15/25 minutes. Betsy made a motion to accept minutes, Jim 2nd. Approved

**Genny discussed applying for Lead Service Line Inventory Grant for \$30,000.00. Ryan Farley, Farley Engineering from Marion, has asked to try and get us this grant at NO COST to our district. He will also include doing the Hydraulic Study for free as well. This is a first come, first receive grant which is why Genny had to call a special meeting. Genny explained that he is wanting to be our Engineer which is why he is willing to do this at no cost. We are under no obligation to make him our Engineer for doing this. We will see how this goes and make a decision on that at a later time.

**Jim asked if his people are going to do the work or would we have to hire them. They plan to partner with a local contractor.

**Betsy asked if he was working with any other water districts. We do not know.

**Jeremy made a motion to accept Farley to do the grant. Betsy 2nd. Approved

**Betsy made the motion to adjourn, Art 2nd Adjourn at 5:12

Meeting Adjourned 5:12
